This Weeks News.....

Thank you to everyone whom are getting to school on time. Our morning Wake Up, Shake Up has been an enormous success and has reduced lateness by over 50%.

Each child has been given a water bottle to fill up in school. These have been provided by the Eco-School Council. It is VERY important to keep your body and especially your brain hydrated. Water is cool in school!

Joshua's Garden has been a big hit, the children are loving the area.
