MENTAL HEALTH AND WELLBEING AT SJSM

The extended closure of schools has been extremely difficult for all children and families and whilst the uncertainty persists more of us are feeling the impact on our mental health and wellbeing.

We have added a variety of toolkits to our website to signpost the support available to all during the pandemic.

Please familiarise yourself with the school's website page:

Should you find that you or someone you know needs assistance please do not hesitate to get in touch with school and we will do all that we can to help.

READING

We understand at SJSM how vital reading is to our children's education and progression. We are very sorry that at the moment we cannot accept reading books to be exchanged in school. Please keep all your reading books and Library books in a safe place for when you return.

There are some really good resources for e-books online at

PTFA:

The PTFA would like to thank each and every one of you whom have supported them over the last year.

We greatly appreciate the support you give from donating items, to being in our SJSM #100 Club, to sharing our ideas and events with your friends and family.

We hope that our beloved children liked the little surprise bags of happiness that they received and they spread some joy.

Important Dates for you Diary:

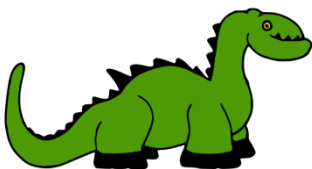

PLEASE NOTE:

During these trying times we have sadly had to cancel all diary dates for this current school year this includes Shawfest 2020.

Class 2 Dino Enterprise-saurus

Before School closed Class 2 had a Dino Day to raise money for their class.

We are so proud of everyone that supported Class 2's enterprise. What fabulous cakes they received and everyone looked great in their flashing glasses! It was a great success.

THANK YOU - we raised over £70!!! 😊

SCHOOL HOLIDAY - Summer Holidays

Please note that we break up officially for the Summer holidays on Friday 17th July 2020.

Staff update

Mrs Pedder will be retiring in the Summer after 18 years at our school. Mrs Roberts is very sad to announce that she will also be saying goodbye at the end of the school year. They both wish to convey that they have loved every minute of their time at St John with St Michael CE and have loved seeing all the children grow. They will miss you all very much.
