Dear Parents/Guardians,

As we come to the end of our first half term, it is lovely to look back on all the wonderful experiences we have enjoyed so far this term, despite the current circumstances and the challenges faced by all. Each class has quickly settled into their new routines and has been extremely sensible. Some of the highlights of our half term were the 'Harvest Celebration' and 'The Restart a Heart Workshops'. Each class has also been extremely busy with their first topics and are now ready for the challenge of their new learning next half term. More information and photographs about each class is available on the School App.

Our Key Stage 2 children (Class 3 and Class 4) enjoyed taking part in the 'Bright Sparks' workshop by the Lancashire Fire Department this week and understand the potential dangers of fireworks.

ROAD SAFETY REMINDER

Unfortunately, we have had to report our concerns about the use of Moss Side Street and the disabled parking zone to the Community Police. Drivers must ensure that they park vehicles safely, be mindful of pupils walking to and from school, and avoid blocking roads in case emergency access is needed. The disabled parking spot is also required by identified families and should only be used by Blue Badge Holders.

Communication / Social media

Each class has an email address which you can use to communicate with your teacher. Teachers are unable to communicate with parents and guardians of pupils through other methods such as texting and Facebook Messenger. They are also unable to accept Facebook requests from relatives of pupils. Please find a list of email contacts below:

PRAYER OF THE WEEK:

Live, Love, Learn, Pray

So many shades of gold Autumn
Another miracle we take for granted
Another expression of the artist's vision

The blending of the autumn hues
with the setting sun

Warm

Comforting

Perfect

Thank you for Autumn, Lord

Warm wishes,

Mrs Camps
