Dear Parents and Carers,

What a fantastic first couple of weeks we are having! It is great to be back in school. It has been so lovely to welcome our pupils back and I have been delighted to witness how well-mannered and polite your children are. They are a credit to you!

It has also been lovely to meet parents at the school gates throughout the week and thank you to those who have said hello, or popped over for a chat. I am looking forward to talking to more of you over the coming weeks. Feel free to say hi!

Swimming:

Class 4, both our Year 5 and Year 6 children will access swimming lessons on Wednesday afternoons. Please ensure your child has their swim kit available every Wednesday as explained by Miss Hall. Class 4 will access lessons until Christmas and then Class 3 will start their swimming lessons in January.

Attendance:

As you will be aware, Headteachers are no longer allowed to authorise pupil holidays during term time. As a school, we have planned a coherent and sequenced curriculum, this means each lesson builds on to the next, like a building block. If a pupil misses chunks of their learning this will be incredibly damaging to their education. Therefore, please can we ask that you avoid taking time off during term time. You will also be aware that taking your child out of school in term time can result in you receiving a fine from the Local Authority.

School Start Time:

Lessons now start at **8.45am** please can we ask that you ensure your child arrives on time to start their learning.

Well done to our star Year 6 pupil who has just signed for Liverpool Football Club! We are so proud of you for discovering your talent. We want each and every pupil at our school to discover their God given talents.
