## Tree Planting:

The children had a brilliant day planting 112 trees on our school site, and every pupil was involved. We are very proud to do our bit for the environment, and that's 112 added to The Queen's Green Canopy! Rochdale Online published an article about our day and if you have not already read it, it is worth a read.

## Collective Worship:

In our recent Picture News assembly, we were thinking about the people of Ukraine. On Wednesday 16<sup>th</sup> March, our pupils can come to school dressed in blue and yellow to show our support for Ukraine. We are asking parents to donate on our Just Giving page, anything you can spare to support the people of Ukraine.

## Award Winners:

Well done to all our recent award winners.

## Fantastic Tickets:

Last week we introduced Fantastic Tickets. Children can collect Fantastic Tickets throughout the week for answering a question well, completing tasks, behaving well and following our school rules, amongst other things that they do well.

Their Fantastic Tickets then go into a box and a name is pulled out at the end of the week. There will be one prize for each class. As of this week, children will receive a Fantastic Ticket simply for arriving on time, as they walk through the door at 8:45am. Supporting your child to arrive on time will be helpful.

Thank you for your support with this.
