## Message from the Head:

As we come to the end of the academic year it is time to reflect on the year that has passed and to plan for the year ahead.

It has been a busy year with lots of change. Firstly, I would like to thank all our parents who have been incredibly kind and welcoming in my first year of headship. The community feel of our wonderful little school, and the discussions I have with our families, inspires me each and every day, as it reminds me that we work together to achieve the best outcomes for our children.

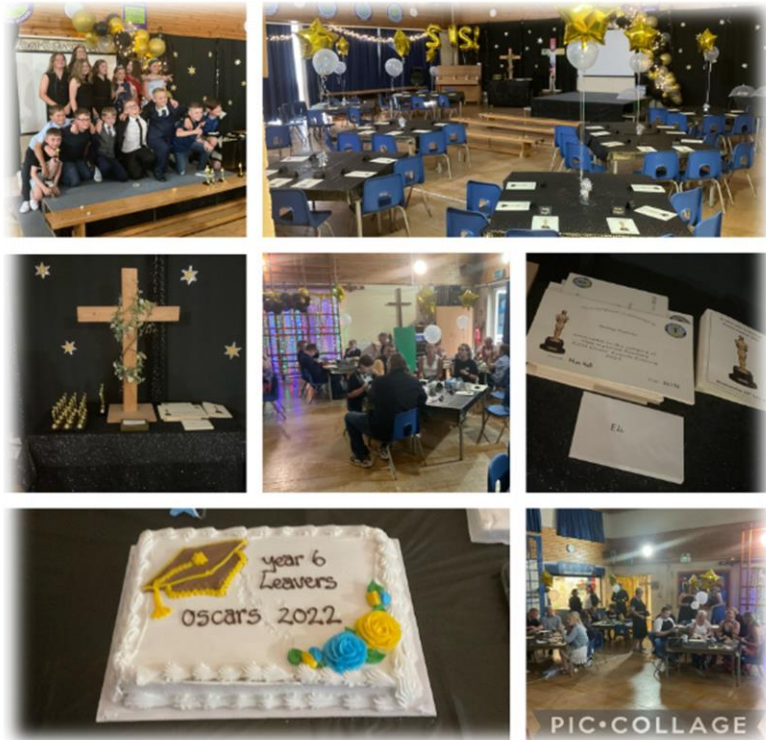

Next year, I look forward to working with you to continue our mission to serve our pupils and our community to the best of our ability. With service in mind, next year we have a vacancy for a parent governor. If anyone would like to apply to become a parent governor, please email me outlining your key skills and why you would make a good parent governor. Should multiple parents be interested in the role of governor, we will run an election vote in September.

Secondly, I would like to thank all the staff in our school who have worked hard to support our children throughout the year. It is not an easy job being a teacher - it is a vocation. Thank you for everything you do for our pupils and have a restful summer break. You deserve it!

Finally, may I wish each and every member of our school community a happy and peaceful summer break and I look forward to seeing you all in September.

## Holiday Dates:

School reopens: **Monday 5<sup>th</sup> September**

## Year 6 Oscars:

It was wonderful to celebrate the successes of all our Year 6 children at our special Oscars evening. We are incredibly proud of how hard they have worked this year and we know every one of them is going to continue their success in high school. It was great to welcome families to celebrate the evening and we hope you all had a fantastic time as we reflected on their time at St John with St Michael CE Primary School. Thank you to our PTA who helped to set up and make it special for the children.

## Sports Day Medals Assembly:

Well done to all our sports day medallists. It was fantastic to celebrate their successes in our sports day assembly last week and we look forward to running even more sporting clubs and opportunities for you to discover your sporting talents next year.

## EYFS Graduation:

It was wonderful to welcome our families to our EYFS Graduation afternoon. We hope you all enjoyed the afternoon. Over the last year, I am sure you will all agree that the children have progressed and developed so much. This does not happen by accident. Thank you to our parents who support at home and thank you to our incredibly talented Mrs Camps and Mrs O'Leary for everything they do. Due to popular demand for Nursery and Reception places, we have recruited an additional member of staff to join our EY team in September. I would like to welcome Miss Higgins to our team. Congratulations and we look forward to working with you.

We are very proud of our pupils who presented and made speeches to an audience at @edgehill today. They also had the opportunity to tour the university campus! #raising #aspirations @ForwardAs1Trust

Another great win for our school football team. Well done @StJohnStMichael winning 6-3 against Thorn! 🙌🏆

## Class 4 Residential:

In July, Class 4 pupils had the opportunity to go on a two night residential trip to Waddow hall. It was a great, action packed trip and the children really enjoyed all the activities on offer. There will be no residential trip next year as we will rotate on a two year cycle due to mixed classes, as we realise it is a lot of money to ask for on a yearly basis. Our next residential trip will take place Summer Term 2024.

 Taking a moment to reflect and give thanks for our wonderful planet!  
 We've said thank you prayers for everything we are grateful for.

 Thank you Reverend Helen for our wonderful prayer breakfast this morning.  
 Powerful reflection time for our staff team.  
 Thank you so much! 🙏
